ANNUAL REPORT OF THE
TOWN SCHOOL BOARD

The past year with our schools has been one of usual success. Our teaching force has changed somewhat but the teachers have all done faithful service and made good records.

The school property remains the same as last year except that the new house at the Highlands has at last materialized and has been occupied one term to the great delight of teacher and pupils.

The District has met with a great loss in the death of Mrs. Gile, so long an earnest and a faithful member of the School Board. She was always interested for the best things and an untiring worker for the same. Also in the death of Miss Laura N. Bennett, for eleven terms teacher in No. 4 school, much loved by her pupils and held in the highest esteem by the parents.

According to the vote of the District and in response to the urgent demand of some of the tax payers, we formed a union for supervisory purposes, with Hill and Danbury, employing Mr. Geo. W. Sumner of Hill as Supt.

Number of children of school age in District	119
Boys	61
Girls	58

Twelve have attend school in other towns or districts all or a part of the year.

Number of weeks of school 33.

ROLL OF HONOR

For the year—Arthur B. Randall, Harry L. Tilton.

For two terms—Everett Brown, Loren H. Tilton, Dorothy A. Wyatt, Irving E. Burke, Everett G. Philbrick, William H. Randall, Ethel M. Kidder, Ethel G. Sanborn.

For one term—Sadie Brown, Dorothy Page, Annie Daniels, Clinton Daniels, Leon Griffin, Helen O. Wyatt, William Bashaw, George H. Greenleaf, Earle F. Randall, Susie F. Burke, Ida Greenleaf, Arline Caverly, Josephine M. Fields, Rockwell M. Gray.

ANNUAL REPORT OF THE
BOARD OF EDUCATION

Of Union School District No. 1, in Tilton

The Board of Education of Union School District, respectfully submit its report.

We have been fortunate in being able to retain the services of the most of our teachers who have taught in our schools before.

In the death of Mrs. Seymour, we lost a helpful, cherry and bright teacher. Truly she was a leader of the youth. She rests from her labors, but her works do follow her.

The pupils in our primary room increased in such numbers that one teacher could not do justice to them, and we secured the service of Miss Chamberlain for an assistant teacher. If this number still continues, a sub-primary room will be imperative in the fall.

We were asked to unite with Tilton, Hill and Danbury to form a supervisory district, but the board did not deem it advisable, as the superintendent could only be in our schools one day or one-half day once in two weeks. So little time would not give us as good results as we now obtain with our principal acting as superintendent and doing in a measure a superintendent's work.

The basement floor has been reconcreted and it is giving good satisfaction.

The walls of the school rooms and the corridors have been whitened. The assembly hall will need attention the coming year.

New reading books, physiologys and arithmetics have been put into all the grades. New language books have been put in part of the grades, and the other books replenished where needed.

The number of different pupils enrolled two weeks or more during the year is 317, twenty-one of these are tuition scholars.
